Sub: PENSION - Compassionate gratuity - Late A.C.Souza - Process peon -D.M.C.Kundapur - Grant to widow Bridget D'Souza Bai - Report -Submission of.

Ref: G.O.No.120, Finance (Pension) Department dated 23-3-1932.

The late Antony Cyril Souza was entertained as peon (Permanent) in the District Munsif's Court, Kundapur on 1-6-1926 on a pay of Rs.12/- per mensem. He was confirmed as process server on Rs.14/- on 1-9-1928. Under the revised pay rules his pay was fixed at Rs.19-8-0 from 1-1-1947; and at the time of his death on 18-12-1952 he was drawing a pay of Rs.24. During his total service of about 26½ years he was on leave only for about 4 months. His service is reported to be satisfactory. He died of cancer in his 48th year.

2. The Revenue Enquiry shows that the deceased has left behind his widow, the applicant, and 3 minor children aged 8, 6 and 2 years. His daughter by the deceased first wife is living with her husband. He has five divided brothers and they live separately. The only property of the deceased is a mulgeni holding measuring 16 cents with a small house where the applicant and her children live. He was a subscriber to the General Provident Fund since 1948. He had taken loans from the amount in the Fund and the applicant got only a sum of Rs.110. ~~from it~~. A debt of Rs.350/- is stated to have been incurred for the medical and funeral expenses of the deceased. He did not insure his life. The applicant and her children who were entirely depending on the deceased have been rendered helpless due to his premature death; and there are no near relatives who are in a position or under an obligation to support them.

I therefore request that the compassionate gratuity admissible under the rules may be sanctioned and made payable to the applicant Bridget D'Souza Bai; the widow of the deceased, whose descriptive roll in duplicate is enclosed, and it may be made payable at the Kundapur Sub Treasury. At the time of his death, the deceased was drawing a pay of Rs.24/- and D.A. of Rs.19 per month. The service register and other records are enclosed.

Yours faithfully,

P. Thimmappa

District Judge.

3. My enquiry shows that the applicant's late husband Antony Cyril D'Souza was entitled to an extent of 0-16 acre of mulgeni land in Coondapur village in an extent of 0-97½ acre tadaygiz to his family. The deceased was feeding the applicant and her 3 children on the income derived by him as hay. He had no other source of income. The deceased has left behind him his widow, the applicant, his children — one son Denis, aged 8 years & two daughters Agnes & Valerine aged 6 & 4 years respectively, one married daughter by his first wife and 5 brothers. His eldest daughter is married and lives in her husband's house in Anagally village. The brothers are living separately with their family. They are cultivating their lands. They are not in a position to feed the applicant and her children. The applicant has no source of income to live upon or to educate her minor children.

4. My enquiry shows that the

Recorded by the Revenue Inspector of Kundapur on 16-1-1953 on questioning Bridjit D'Souza widow of deceased A. Cyril Souza, residing at Kundapur Kasba village.

The petition read out in connection with the order of the Taluq M. Ref. 103/53-B5 was submitted by me. I am the second wife of my deceased husband. The first wife had died. The deceased had two daughters through her, of whom one died and the other is called Margaret. She is residing in the house of her husband Paul Kotha, son of Saver Kotha. I have three children. Their name is Dennis (8 years), Agnes (6 years), and Valerine (2 years). The deceased and his five brothers together have mulgeni bagayat plot of 0-97 acres in extent. Out of it, the deceased was entitled to a share of 0-16 acres in extent. Apart from this plot the deceased had no other land. That plot may be worth about Rs.200/-. We had no other source of income. While the deceased was alive, he was maintaining us with his pay. He died accidently while in service. He did not insure his life. Though he was contributing some amount to the General Provident Fund, he took a loan and now there may be a balance of about Rs.100/-. The General Provident Fund loan was taken for the illness of the deceased before his death. There is no amount of the deceased at all either in cash or in the bank. It is even very difficult for the deceased's brothers to maintain their respective families. We have incurred a debt of Rs.200/- to meet the expenses of the deceased's funeral and his toothache. Apart from this the deceased had a prānote debt of Rs.100/- and petty debts of Rs.50/-. I am not in a position and have no means at all to repay this -- amount. I have also no means at all to maintain myself. My eldest son is studying in the IVth. class in the church school. I have no means even for his education. My husband was in Government service for 26 years. On account of this and to get rid of our poverty, it is requested that a gratuity of Rs.2000/- may be granted to us, which may be ordered to be paid over to me for the maintenance of myself and the minor children of the deceased. We have nothing except moveables of the deceased worth Rs. 25/-. We have no
